

Timetable for Member Bill ballots

Timetable for ballots to select the names of Members who may seek agreement to introduce a Bill

In accordance with Standing Order 26.87, I have decided that two ballots will be held to select the names of Members, other than members of the government, who may seek agreement to introduce a Bill.

Ballot	Date	Number of names of Members to be selected
1	Wednesday 14 October 2026	Three
2	Wednesday 7 July 2027	Three*

*Standing Order 26.87A provides that I may make such subsequent changes to the timetable as I consider appropriate. Before the second ballot is held, I intend to review the number of Members to be selected, taking into account the outcomes of the first ballot, information on the wider legislative programme, and any other factors I consider relevant.
