LOCAL GOVERNMENT, WALES

**The Local Authorities (Capital Finance and Accounting)
(Wales) (Amendment) Regulations 2026**

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Local Authorities (Capital Finance and Accounting) (Wales) Regulations 2003 (“the 2003 Regulations”).

Regulation 24K of the 2003 Regulations provides that, in relation to financial years falling within the period beginning with 1 April 2019 and ending with 31 March 2025, a local authority must not charge an amount to its revenue account to reflect any fluctuation in the fair value of a local authority’s investment in a pooled investment fund. Instead, such amounts must be recorded in a separate account established and used solely for that purpose. Regulation 2(2) of these Regulations extends the application of regulation 24K in respect of investments made by a local authority before 1 April 2025 by an additional four financial years to 31 March 2029.

Regulation 24L of the 2003 Regulations makes provision about the accounting practices to be followed by a local authority where a component of an infrastructure asset has been replaced. Regulation 24L applies to local authorities that are required to prepare a statement of accounts in accordance with regulation 8 of the Accounts and Audit (Wales) Regulations 2014 (S.I. 2014/3362 (W. 337)). The local authority must either assume the carrying amount of the derecognised part is nil or calculate the carrying amount in line with the accounting practices identified under regulation 25 of the 2003 Regulations. Regulation 2(3) of these Regulations extends the application of regulation 24L by an additional four financial years to 31 March 2029.

The Welsh Ministers’ Code of Practice on the carrying out of Regulatory Impact Assessments was considered in relation to these Regulations. As a result, a regulatory impact assessment has been prepared as to the likely costs and benefits of complying with these Regulations. A copy can be obtained from Local Government Finance Policy

and Sustainability Division, Welsh Government, Cathays Park, Cardiff CF10 3NQ and is published on www.gov.wales.
